Our Company History

Founded by our president **Russell Cornwall**, who as a Police Officer and Detective in Southern California trained and worked with the FBI, DEA, BNE, and DOJ. Mr. Cornwall began his career in Law enforcement with the Orange County Sheriff's department in California. Mr. Cornwall worked in the jail system, then went to work for the police department in the city of Perris in Riverside county, and wrapped up his career with the Port Hueneme PD working undercover assignments. Mr. Cornwall has investigated crimes ranging from murder to jay walking. He has written thousands of reports and hundreds of search warrants, and is pleased to pass on his experience and expertise to our employees and clients.

Now retired, Russell is licensed as a Private Patrol Operator and Private Investigator. He had served as the Operations Manager for one of the largest Security Companies in Ventura County, and has been a Board member and a Manager for a large Home Owners Association in Ventura and is designated as a CMCA (Certified Manager of Community Associations)

Cornwall Security Services now provides training and certification for many organizations including the Oaks and Pacific view Malls.

Teamed with **Barbara Murray**, who for many years had been the corporate president of *Encore Event Marketing* providing staff and technical knowledge for General Motors sponsored events and has worked as a Project Manager of a large Solar company managing several installation crews.

These impressive backgrounds form the foundation for a comprehensive security service, second to none!

Once again, welcome to **Cornwall Security Services** and our best wishes for success.
