Testimonials from clients

Barb and Russ,

Just a quick note related to the services you provide our Westlake BMW, Porsche, Audi, and Rusnak Auto Outlet. I have found you to be a pleasure to deal with. Your attention to detail and ability to react with additional service is appreciated, even when it is very short notice. You have provided outstanding and professional service. Feel free to use me as a recommendation.

Regards,

Chuck Houck
Director of Fixed Operations

“It has been my pleasure to employ Cornwall Security Services at the Watermark on Main Restaurant and W20 lounge in Ventura. I find them to be expertly trained, professional in all areas including appearance. My customers have all come to know them and consider them part of the Watermark family. As a relatively new restaurant and lounge, we have experienced many different types of situations and in every instance they have handled themselves appropriately and effectively. As chairman of the Ventura Restaurant and Bar Association in Ventura, I have used Cornwall Security as a model for others many times. I look forward to many more years of association with the Cornwall Team.”

“Cornwall Security has been responsive to all of my Association’s needs. They go over and above to make sure that the homeowners feel more comfortable. They make themselves available for late night patrols in addition to periodic checks throughout the day. They forward photos, video and reports which are all legible and understandable. They are the best”!

“I just want to let you know that I was very happy with services provided during the party. The guards were seen at all times, in fact my mom thought she saw 5 guards around the building. I will definitely recommend you guys”.

“Just wanted to let you know that I really appreciated your help in getting me the 3 security guards within the week I needed them. You have no idea what a relief that was and your courtesy throughout the conversation. The guards were on time and were very pleasant and did a very good job. Knowing they were there brought comfort to my busy evening. I certainly will recommend your company and if ever in need of your service, I definitely will be contacting you”.

Thank you, Lupe Reyes
